Tiangong Star Atlas AI Civic Living Room | Three streets, four prototypes

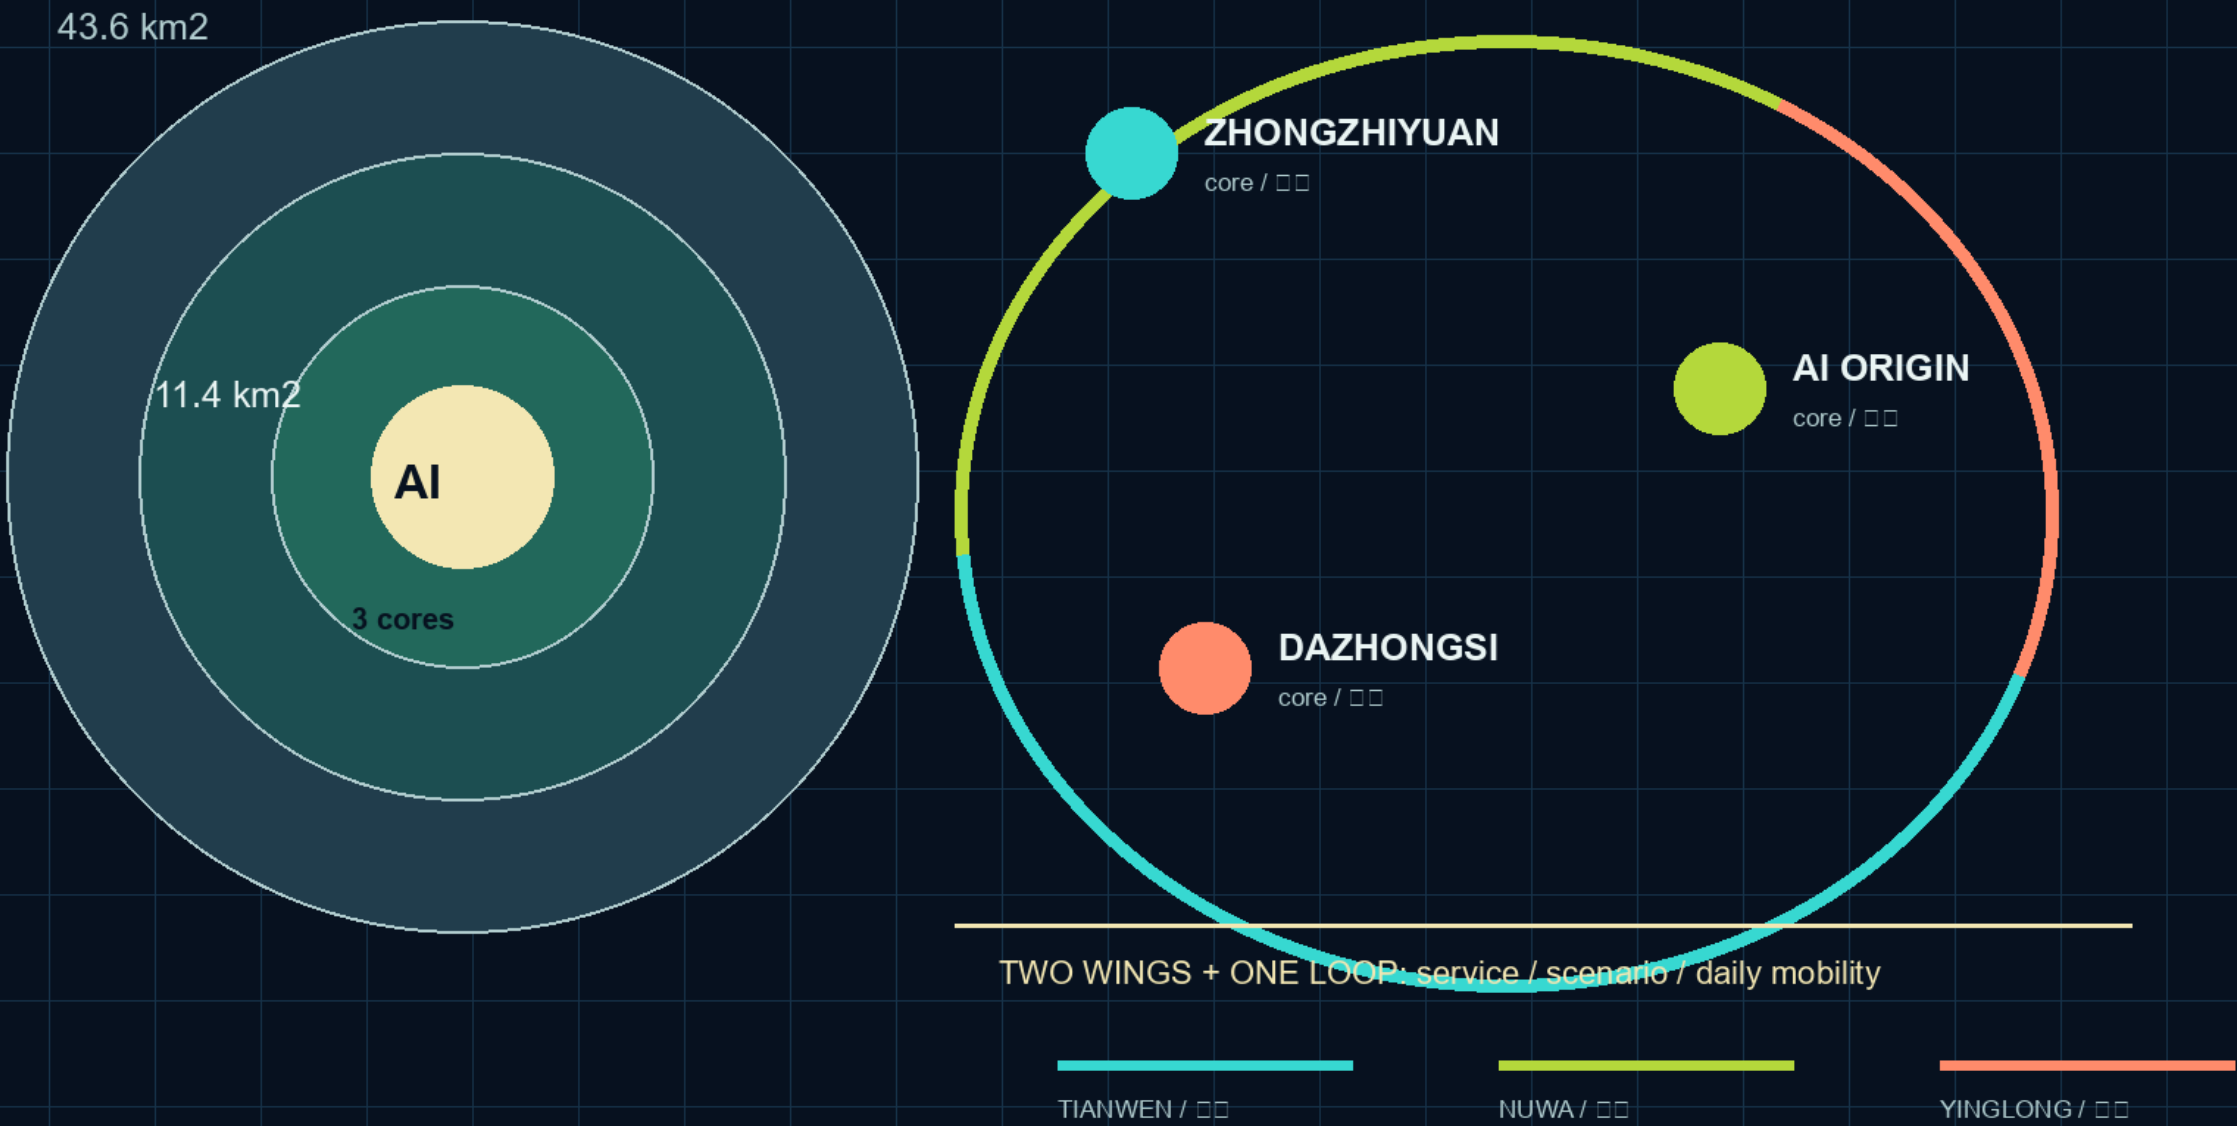

Conceptual street and building prototypes; not an approved boundary, control, or construction drawing.

Conceptual, provisional, and subject to professional confirmation.

Three corridors connect three cores through two service wings and one loop.

THREE SCALES / THREE CORRIDORS / THREE CORES

A regional innovation system translated into everyday public interfaces.

Role, users, lead, launch gate, and indicators for each provisional core.

THREE KEY AREAS / DELIVERY BRIEFS

Provisional polygons are constraints for review; roles, gates and indicators make each core actionable.
